Lisbon Wal-Mart Sets High Mark in Efforts to End Hunger

Congratulations to the Lisbon Wal-Mart Supercenter, which extended its gratitude to customers and associates for raising more than \$5,000 to help end hunger in our community. Their fundraising mark ranks the Lisbon store 44th out of 3,000 stores across the country. All totalled, Wal-Mart and Sam's Club stores raised \$3,700,000 nationally; Wal-Mart will be matching \$5,000,000.

The money raised goes to America's Second Harvest, the national food bank network. The organization purchases food in bulk and distributes it to local food banks across the country. America's Second Harvest in Connecticut is located in New Haven and provides food for the Gemma E. Moran United Way Labor Food Center. The Food Center distributes the food to more than 80 member agencies including child care centers, shelters, food pantries, programs for the elderly, and community meal sites.
