

# *The Spinnaker Club*

**Brian Orenstein, President & CEO, Charter Oak Federal Credit Union  
United Way Leadership Giving Chair**

**Thank you for your support of United Way of Southeastern Connecticut. Through collective action - doing what no one person, organization, or business can do alone - we can achieve so much more. By coming together to tackle important community issues, we are able to create systemic change that benefits all of us.**

**In this section of our Annual Report, we acknowledge the generosity of our leadership givers. An annual contribution of \$1,000 or more grants you membership in our Spinnaker Club. Annual gifts of \$10,000 or more qualify you as a member of The Tocqueville Society.**

**We are sincerely grateful to you for leading the way in supporting our region through a leadership gift as we work together to fight hunger and food insecurity, provide a safety net of services for those in need, and support an essential network of local health and human service programs.**

***Thank you for Living United!***

## *The Tocqueville Society*

The Tocqueville Society bears the fleur de lis symbol, representing faith, wisdom, and valor. Members have the ability, the generosity, and the courage to place themselves at the pinnacle of charitable giving and community service.

The Society derives its name from Alexis de Tocqueville, a French aristocrat of the 1800s who was inspired by the American spirit of philanthropy. His observations formed the basis of *Democracy in America*, a detailed study of American society and politics, published in two volumes in 1835 and 1840.

Tocqueville wrote extensively on the power of voluntary giving for the common good and today, his ideals continue as we Live United.

We extend our gratitude to the following members of The Tocqueville Society for their extraordinary, generous gifts of \$10,000 or more:
