founder of our food center*

This tournament has donated over \$100,000 to our Gemma E. Moran United Way Labor Food Center.

This enabled our food center to purchase food for over 800,000 meals for families in southeastern Connecticut.

Please help us continue to support working families in our community.

*Thank you
for your support*

United Way Labor Food Bank

Our Food Center is a coalition between the Labor Movement and United Way. It first opened in 1988 on the campus of Uncas on Thames in Norwich. Today, our Food Center collects and distributes food to more than 95 programs including community meal sites, shelters for the homeless, afterschool programs, food pantries and programs for the elderly.

Through this successful partnership, our Food Center has become the premier anti-hunger program in southeastern Connecticut providing more than two million meals to the hungry in our community.

On behalf of Organized Labor & United Way we would like to take the opportunity to thank you for supporting our Food Center, it's food distribution sites and the families in our community who receive their assistance.
