

School's out
Hunger's not

Nearly 1 in 5 children in New London County are facing hunger. And for too many children, when school lunches end, lunch ends altogether. That means a long, hot, & hungry summer for our community's kids.

But by working together, we can help!
We'll be running a food drive from:

to benefit the Gemma E. Moran United Way/Labor Food Center, our local food bank. Our drive is part of one massive communitywide drive to end summer hunger!

Please help in the fight against childhood summer hunger by donating the following items most in need at this time:

Ensure, macaroni and cheese, pasta, canned tuna, and soup.

Please no glass containers or expired items!
