Here's how your United Way donation made a difference last year!

Gemma E. Moran United Way/Labor Food Bank provides the equivalent of nearly 1.9 million meals and snacks at no cost to those in need through a network of local emergency food programs and a Mobile Food Pantry.

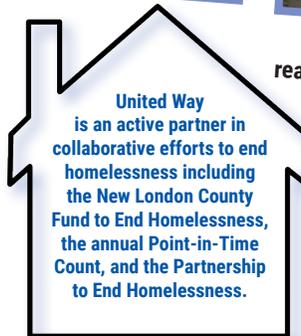

2-1-1

United Way 2-1-1 helped callers from New London County with 20,657 service requests for free information and referral. The top 5 request were for: housing and shelter; food; utilities; healthcare; and mental health services.

With our partners, helps to collect & distribute toys to 2,047 families with 5,012 children in need and recruits volunteer groups to assist with distribution.

Mobilizes 118 Volunteer Readers to read to more than 3,000 students in 24 schools and learning centers.

Saves New London County residents a total of \$407,471 on their prescription medications.

Our school supply drive yielded more than 10,000 items that were distributed directly to schools in New London County for students in need.

Collects 22,728 pounds of food = 19,000+ meals for families facing hunger.

United Way of Southeastern Connecticut
