

## To benefit the Gemma E. Moran United Way/Labor Food Center

**New Location!**  
**Norwich Golf Club**

The Food Center is a coalition between the Labor Movement and United Way, named in honor of its founder, Gemma Moran (above right).

Through this successful partnership, the Food Center has become the food bank for New London County, providing two million meals last year to our community.

Last year, the Food Center provided the equivalent of two million meals to local households through 65 member agencies and a Mobile Pantry program. Each month, 23,500 people are helped.

On behalf of Organized Labor and United Way, thank you for supporting the Food Center, its distribution sites, and the families in our community who receive assistance.

To get more involved please call (860) 464-7281 or visit [www.uwsect.org/labor](http://www.uwsect.org/labor).
