

INVESTMENTS IN THE COMMUNITY

United Way Impact Areas: Healthy Community | Youth Opportunity | Financial Security | Community Resiliency

WE BELIEVE IN THE POWER OF COMMUNITY TO TRANSFORM LIVES.

As part of a global network of more than 1,000 United Ways, we help to share innovations and scale impact.

With deep local roots, we see how our community's greatest challenges are connected, and how we can bring people and resources together to address them.

Together, we're working towards a future where every person in our community can thrive.
