

WOMEN UNITED[®]

United Way of Southeastern Connecticut

Women United will inspire, educate and encourage women to affect positive change in our community, with a focus on food security in New London County through philanthropy, volunteering, and leadership.

OUR UNITED CAUSE

Our goal is to raise funds for The Gemma Legacy Fund. Gemma's determination to help feed families in need, along with the support of Labor and United Way, led to the formation of our Food Center. The Fund will create sustainable support for the ongoing operation of the Food Center program to best position it to provide food security for all in New London County.

WE NEED YOU

By joining Women United, you'll become part of a community of like-minded women who contribute their personal passions, inspired ideas, and unique strengths to The Gemma Legacy Fund. You will make a difference through volunteer opportunities alongside others who share your passion. As part of the organization, you'll have opportunities to network and collaborate with key business and community leaders at exclusive events. You will learn about the key issues impacting our community and be part of meaningful progress towards food security for all in New London County.
